Dear Parents and Carers,

Early Birds Breakfast Club and Starlings After School Club price increase from 1st January 2026

Our mission for our Early Birds Breakfast Club and our Starlings After School Club is to ensure that families will always have the best childcare options available. We focus on not just meeting but exceeding the needs of our families and strive to provide the highest level of quality care.

We have avoided raising our prices for as long as possible. However, due to an increase in running costs and the increasing number of pupils utilising the provision, we have made the difficult decision to increase the price of this provision, which will also allow for two members of staff to consistently deliver the high quality care that we expect your children to have.

We understand that a price increase is never an ideal option, however it is important to consider the following points:

- A snack will continue to be included for those children staying beyond the first session times.
- There will still be provision for children with dietary requirements (gluten/dairy free and food allergies).
- Analysis of other local care providers shows us that even with this increase, our prices remain the lowest in the local area.
- We maintain a warm, friendly and welcoming environment, utilising staff that the children know, where your child/ren feel safe and secure.

Revised prices from 1st January 2026

| Session Time | Current price | Revised price |
|--------------------------------|--------------------------------|------------------|
| Breakfast Club: 7:45 – 8:45 | £3 | £5.80 per child |
