9th September 2025

Dear Parents and Carers,

I have been incredibly proud of our pupil since their return to school on Thursday. They are looking incredibly smart, behaviour for learning is very positive, and there is a calmness and focus around the school.

There are however, some children who are not wearing the correct footwear to school every day. As a school, uniform is worn to show that we are one community and it represent who we are at Kewstoke. I fully appreciate that children's feet will grow, and that there are occasions when footwear has been ordered but does not arrive.

According to the schools' uniform policy, pupils are expected to wear the correct uniform at all times and parents and carers are expected to make sure their child has the correct uniform. As was stated in my letter from July, 'should pupils arrive to school from September 2025 with incorrect uniform then the following system will be applied:

- Pupils will be asked to correct their uniform at the start of the school day if they can.
- If pupils do not have the correct uniform, they will be offered the opportunity to borrow the correct uniform from our stocks.
- Parents will be called and they will be expected to bring in the correct uniform.'

At the start of next week, having had time for the children to settle in, any child seen not wearing the correct footwear to school will be subject to the system above. If there is a valid reason why the correct uniform is not being worn, please do contact the school, so we can be made aware.

On Friday morning, Tulip photography will be at school to take individual photographs. I hope the pupils will look as smart as they have been since returning to school.

Thank you for your continued support and cooperation.

Best wishes,

Neil Champs
Interim Headteacher

Kewstoke School is committed to safeguarding and promoting the welfare of children and staff
